

# **ACTON NATURE CENTER COMMUNITY LECTURE SERIES**

*Learning to be stewards of our natural resources*

Lectures are held the first Sunday of the month in January, April, July, and October at 4:00 PM. This lecture will be held in person at the ANC Education building and via Zoom. To register to receive the Zoom link for this free program, email:

[actonnaturecenter@gmail.com](mailto:actonnaturecenter@gmail.com)

Updates available at <https://actonnaturecenter.org>

## **SNAKES**

**Sunday, July 3, 2022 - 4:00 PM**

What are snakes? How can we tell if the one that is slithering through our lawn is a rat snake or a rattlesnake? Why would we want snakes in our backyard? Come find out the answer to these questions and more with Texas Master Naturalist Gaston del Pino Borgstrom.
